

ST ANDREW'S C of E PRIMARY SCHOOL

WELCOME TO YEAR 2

MATHS

This term, children will consolidate their calculation and problem-solving skills. We will also focus on;

- Multiplication and division
- Fractions
- Time
- Statistics
- Geometry: position and direction

Our cross curricular theme is: **On the Farm**

Big Question: Where does our food come from and how can we make sure that there is enough for everyone? We will explore: The journey of food from farm to fork and compare farming in the UK and St Lucia. Healthy eating and food waste. Seasonal change and science investigations based on plants and conditions for arowth. Observational drawing of plants & a study of Van Gogh.

Design and make a healthy sandwich using our own produce.

ENGLISH

All English work this term will link to our 'On the farm' theme.

- Funny stories inspired by 'The Cow that Laid an Egg' by Andy Cutbill.
- Poetry based on the book 'Lost Words'.
- Information posters about healthy eating.

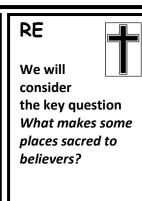

* Grammar Focus: Correct use of a wide range of punctuation, conjunctions, nouns, verbs and adjectives.

HOW CAN YOU HELP YOUR CHILD?

There are lots of fun things to do at home, for example; plant some seeds and watch how they grow and change; look at food labels and find out where your food comes from - find these places on a world map; talk about healthy eating and cook simple meals together.

SPELLINGS AND READING SPELLINGS WILL BE SET ON FRIDAY AND TESTED ON WEDNESDAY. Children should read for a minimum of 15 mins at home every night (also share library books and longer novels as well as scheme books).

COMPUTING Children will continue to develop their skills in coding and their understanding of esafety. They will learn how to make music and learn about digital photography

HOMEWORK:

Please continue to support your children with spellings and number facts. Set on Friday, tested Wednesday.

P.E is every MONDAY & FRIDAY

NAVY BLUE SHORTS, WHITE T-SHIRT AND SUITABLE PLIMSOLLS OR TRAINERS
