Department for Education Vision for the Primary PE and Sport Premium:

ALL pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision *(above)* that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following 5 key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Total amount received from Primary PE and Sport Premium funding 2022-2023 = £17,740

Y6 Swimming

The percentage of pupils within the year 6 cohort who met the national curriculum requirement to:

- Swim competently, confidently and proficiently over a distance of at least 25 metres
- Use a range of strokes effectively
- Perform safe self-rescue in different water-based situations

The table below contains data for current and previous year 6 cohorts:

Cohort	Number of pupils meeting NC swimming requirements	Percentage
2022 – 2023 Y5/6	44/60 COVID CATCH-UP SCHEME	73%
2021 - 2022	NO SWIMMING DATA. DUE TO COVID-19 RESTRICTIONS, THE LIFE CENTRE WAS CLOSED SO SWIMMING DID NOT TAKE PLACE.	
2020 - 2021	22/25	88%
2019 - 2020	19/27	70%
2018 - 2019	19/29	66%
2017 - 2018	19/28	68%
2016 - 2017	16/28	57%

Swimming Data Y5/6 Cohort 2022-2023

Meeting national curriculum requirements for swimming and water safety.	Results
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	36/60 = 60%. 61% of children swimming at least 25m are boys & 39% are girls. 61% of pupil premium children in these cohorts can swim at least 25m.
What percentage of your current Year 6 cohort use a range of strokes effectively {for example, front crawl, backstroke and breaststroke}?	49/60 = 82%. 51% of those using a range of strokes are boys & 49% are girls. 69% of pupil premium children in these cohorts can use a range of strokes.
What percentage of your current Year 6 cohort perform safe self rescue in different water-based situations?	39/60 = 65%. 51% of those performing safe self-rescue are girls & 49% are boys. 61% of pupil premium children in these cohorts perform safe self-rescue.

Club Participation Data From Previous Year 2021 -2022

Autumn		Spring		Summer	
1	2	3	4	5	6
66	71	71	73	85	82

*Clubs include PAFC KS1, PAFC KS2, TGS KS1, TGS KS2 & Running Club (started in Summer Term 2022)

* Children can attend multiple clubs

Achievements & Improvements

Key Achievements	Further Improvement
<p>AREA ONE - The engagement of all pupils in regular physical activity – kickstarting healthy active lifestyles</p> <p>Continued increase in funding aimed at providing the children at St Andrew's with a variety of sporting opportunities after school. Children offered 5 sporting clubs per week (2 x KS1, 3 x KS2). Clubs provided by TGS Coaching, Plymouth Argyle Trust & St Andrew's staff. Football opportunities for 45 minutes per lunch available for Y3 to Y6.</p> <p>Bikeability for foundation & Y6 children took place for 30 Foundation & 30 Y5 children. 100% of children in Y5 achieved their Bikeability Level 2. This is the first time that we have ever had a whole cohort achieving this level.</p> <p>St Andrew's Primary began to attend sporting tournaments at an increased rate after recent disruption by Covid-19. Most notably: 6 children winning medals during the PSSP Brickfields Athletics Event.</p> <p>73% of children in the Y5 and Y6 cohort met NC swimming requirements. This is St Andrew's 2nd highest score in the last 6 years and includes two cohorts instead of the usual one cohort.</p> <p>Use of KS2 fitness equipment during PE warm-up sessions, personal challenges and regular timetable use for each KS2 class at lunch.</p>	<p>Monitor use of KS2 fitness equipment at lunchtime. Use of MTA or Y6 Sports Leader to collect data over the course of one week twice a term.</p> <p>Aspire to provide swimming catch-up for the 27% of children that didn't meet NC swimming requirements.</p> <p>Further increase participation in PSSP sporting tournaments/opportunities as many chances to attend in the previous year were affected by Covid-19 cancellations.</p> <p>Re-enter the School Games Mark in July 2023. St Andrew's Primary had achieved a GOLD mark for 2 years in a row. Participation in events during this academic year was still limited by COVID-19 and this would have had an impact if we had submitted an entry this year.</p>
<p>AREA TWO - The profile of PE and sport being raised across the school as a tool for whole school improvement</p> <p>A wonderful whole school sports day was hosted in the summer term for the first time in 2 years. Overwhelming positive response from parents, staff and children.</p> <p>Plans in place to further develop and significantly invest in our outdoor KS2</p>	<p>AREA TWO</p> <p>Y6 children to attend Sport's Leader Bronze Ambassador Training - this was not provided in the previous academic year.</p> <p>Development of the role of Sports Leaders to extend pupil voice through termly sports council meetings and questionnaires for children and parents. Carried forward from previous plan</p>

<p>area to include a canopy and seating area for self-evaluation opportunities in PE.</p>	<p>Greater opportunity for inter-house competitions between year groups in KS2 (Y3/4 & Y5/6). Staff meeting or INSET time to plan this.</p> <p>Update PE Sporting achievement board in the school hall or look to relocate to another area in the school?</p>
<p>AREA THREE - Increased confidence, knowledge and skills of all staff in teaching PE and sport.</p> <p>New PE assessment format is now fully embedded and confidently used by all members of staff.</p> <p>Integration and implementation of progression of skills document for use to support staff when making assessment decisions.</p> <p>PE planning for all year groups provided for staff to use and complement existing planning of PE lessons on our creative curriculum</p>	<p>AREA THREE</p> <p>Monitor, observe and provide feedback about PE teaching and learning to staff. Provide opportunities for PE Lead to teach KS1/KS2 cohorts.</p>
<p>AREA FOUR - Broader experience of a range of sports and activities offered to all pupils</p> <p>All sporting club registers have now moved online which makes it easier to track data.</p> <p>Provided opportunities to all children to participate in sporting clubs by opening online club invites to children that haven't attended a club. Therefore, giving all children a chance to sign up and attend. Children targeted if they haven't attended a club.</p> <p>Delivered a variety of multi-skills and sporting opportunities for children through TGS and Plymouth Argyle coaching.</p> <p>Opportunities provided for Y6 children to participate in residential sports such as archery, zip-wire, climbing, abseiling and canoeing.</p>	<p>AREA FOUR</p> <p>Use of TA to collect and analyse sporting register data on a termly basis and report on school website.</p> <p>Explore the possibility of providing further after-school sporting opportunities beyond our usual time of 4.15pm. Can we provide a further sporting opportunity beyond this time? Can we offer opportunities before school?</p>

AREA FIVE - Increased participation in competitive sport

Number of children attending sports clubs increased significantly this year compared to the previous year. 218 children attended clubs over the course of the year in 2020 – 2021. This increased to 448 children in 2021 – 2022 (NB: Children can attend multiple clubs which is why this is higher than our 210 capacity)

AREA FIVE

Aspire for children to attend any sporting events this current school year. Previous Covid restrictions have now eased.

Ensure that lunch and after school clubs take place now that Covid-19 restrictions have eased.

Online booking system to be used and data from this to be analysed.
