

SHHH... The Walls Have Ears!

SCIENCE:

Year 5 will study how Forces work

History & Geography:

Plymouth in the Blitz will form the basis of our local history study, combined with the impact of the human and physical geography feature affected by WW2.

MATHS

Number – Place Value, Multiplication & Division and Addition & Subtraction. Measurement: Perimeter and Area Statistics.

HOMEWORK

Spellings, times-tables and arithmetic tests will form part of the weekly homework. Homework may be set on Google Classroom. Homework will be set on a Wednesday & Thursday and handed in the following Wednesday and Thursday.

Additional Grammar, Maths follow up and Topic tasks will be set on occasion.

ICT: Pupils will use their software skills and various programs to create WW2 presentations, alongside building upon their ability in coding and e-safety.

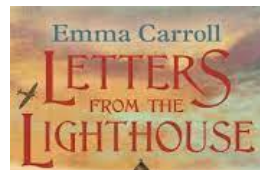

DT: Year 5 will construct Anderson Shelter models.

HOW CAN YOU HELP YOUR CHILD?

PLEASE READ REGULARLY WITH YOUR CHILD. THIS TERM Y5 WILL HAVE A SEPARATE READING BOOK AT HOME AND AT SCHOOL. ENCOURAGE YOUR CHILD TO READ AS OFTEN AS POSSIBLE.

English

All English work will link to our topic. We shall focus on the novel *Letters from the Lighthouse* by Emma Carroll alongside studying *The Piano* animation by Aiden Gibbons and War Poetry.

Year 5 will be learning wartime music compositions and songs as well as delving into the history and impact of these tunes.

MUSIC

RE

Two units of work will be covered over the course of the term;

- 1) What does it mean if Christians believe God is holy?
- 2) What does it mean to be a Muslim in Britain?

P.E. is on Tuesday and Thursday – Personal challenges incorporating Football and Dance (Lindy Hop). There will also be swimming and bike-ability this term. CHILDREN ARE TO COME IN TO SCHOOL WEARING THEIR PE KIT. NAVY BLUE SHORTS, WHITE T-SHIRT & TRAINERS. (BLUE TRACKSUITS CAN ALSO BE WORN WHEN COLD).

ART:

We will be inspired by the work of L.S. Lowry and propaganda posters of WW2.
