

ST ANDREW'S C of E PRIMARY SCHOOL

History & Geography:

Children will learn the chronological and geographical locations of the Industrial Revolution

Identify key changes from pre- post industrial revolution;

Understand the significance of the steam engine during the industrial revolution

Identify how the seaside holiday grew in popularity during Victorian times

The unit will include a trip on the Dartmouth steam railway to Paignton where the children will carry out a field survey and interpret the data.

ALL ABOARD!
Is
PROGRESS
ALWAYS POSITIVE?

English

Children will use Street Child by Berlie Doherty as inspiration for their writing and reading.

A range of Victorian information sheets detailing specific aspects of the Victorian era will be explored and used for comprehension assessments.

Further work will be carried out on the redevelopment project for the local community and a range of poetry will be explored linked to the project and our Steam train trip to Paignton.

SPELLING

Spelling assessments will take place every Wednesday and involved 10 new spellings following a pattern and 5 previously learnt spellings.

TIMESTABLES & ARITHMETIC

Children should be accessing TT Rockstars for 3 minutes a day and challenges themselves to improve their speed.

Arithmetic tests will be carried out throughout the week based on their homework questions.

Maths: Algebra, statistics & geometry

True or False? Formulae

I could use any of the formulae to find the area of the rectilinear shape.

$ab + de$

$bc + ef$

$af - cd$

Computing

Code.org CourseF,
E-safety
Spreadsheets

R.E

What kind of King was Jesus? How does faith help people when life gets hard?

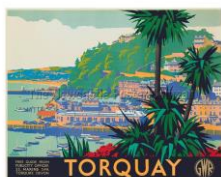

Railway journey represented through percussion. Recorded using symbols. Use and understand musical notations

Science

The Human Circulatory System and Electricity (Changing Circuits)
We will study these units making reference to how our understanding developed during the Victorian era.

ART: Seaside Posters

Spanish

Possessive adjectives, prepositions, pronunciation, simple future, Day of the Dead traditions. Assessments.

PSHE

Relationships and Change.

P.E.

Athletics, Cricket and Gymnastics

There is a set time on Friday for our P.E. but we have flexibility during the week so please make sure P.E. kit comes in on a Monday
