

# ST ANDREW'S C of E PRIMARY SCHOOL

## Maths

Focused topics this term will be:

Fractions  
Converting units  
Decimals  
Fractions, percentages and decimals  
Area and perimeter  
Ratio

Within these domains we will be strengthening place value, addition, subtraction, multiplication and division.

## THE WINDS OF CHANGE

## English

All our English work this term will link to our Shang history theme and class read.

- Exploring genres and writing short stories based on the Willow Pattern.
- Creation myths
- A unit of work based on the 'Kite Rider.'

## SPELLING

Spelling assessments will take place every Wednesday and involved 10 new spellings following a pattern and 5 previously learnt spellings.

## TIMESTABLES & ARITHMETIC

Assessments will take place every Wednesday. Tests will vary between children and will either test the main TTs or TTs involving numbers 10 or 100 times bigger or smaller e.g 5600 divided by 7 or  $0.7 \times 8$ . 10 mixed Arithmetic questions will also be assessed.

## History:

We will study the Ancient Shang Civilisation and use the component vocabulary to answer our key composite question:

**"What can we learn from our ancestors?"**

## Computing

We will continue to follow the Teach Computing Curriculum starting the unit: 'Creating Media' – Web page creation.

## R.E.

Why do Hindus want to be good?  
What matters most to Humanists and Christians?

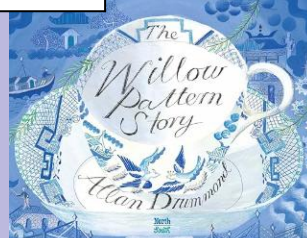

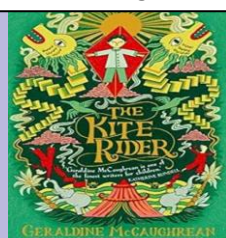

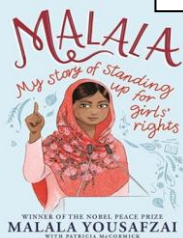

## MUSIC

We will explore, compose and perform pieces based on the Pentatonic scale.

**ART:** Chinese brush art, calligraphy, Willow pattern plate designs

Whole class reading books this term

**P.E. on Monday and Friday**  
Hockey, Basketball and Tai Chi. Please bring your PE kit into school on a Monday and take home on a Friday.
