

PSHE:

Dreams and Goals: Includes lessons on Aspirations, Goals, Challenges, Teamwork, Resilience, Jobs and Careers and Simple Budgeting.

Healthy Me: Includes lessons on Drugs and Alcohol Education, Self-Esteem and Confidence as well as Healthy Lifestyle choices.

Art: To study and analyse the history, style, content and underlying themes of Amazonian art from Peru and Brazil; exploring freehand drawing and tracing of authentic imagery (including patterns, flora and fauna), alongside the controlled use of creative calligraphy and powerful, persuasive quotes, to compose a bold and diverse visual statement that celebrates the Amazon and its global significance.

Homework will be given out every Friday to be handed in by the following Wednesday. It will consist of **Mathletics tasks, times tables, spelling and reading.**

There is an expectation that children read for 20 minutes a day and parents sign the reading diary to confirm this and completion of their homework

Arithmetic and spelling tests will be carried out in the homework books so you can check their progress.

ST ANDREWS C of E PRIMARY SCHOOL

YEAR 6 - SPRING 2026

Our theme this term is:
Echoes of Destruction
Our big question is:

What is the environmental impact of humankind?
Our History and Geography units will drive our answer.

How can I help my child?

Please encourage a positive attitude to learning within school and promote daily reading and times tables practice at home.

Book based writing for this term:

Spanish: Describe things and people: singular adjective agreement, to be being.

RE: Hinduism - what or who guides Hindu's in their life.

PE: Hockey & Basketball.

D.T.

Children will be planning, designing, building and evaluating a simple irrigation system.

Science: We will be covering the Year 5 & 6 'Living Things and Habitats' Curriculum, studying lifecycles and classification.

Computing: Creating Media; Data and Information Spreadsheets

Music:

Charanga - Freedom to improvise and listen to Samba music.

Year 6 Spring Assembly:
Friday 27th March at 9.05 a.m

Maths:

- **Ratio, Algebra, decimals, fractions, decimals and percentages, Area, perimeter and volume**
- **Focus on using 'What I know' and 'What I don't know' to reason and problem solve.**
