

*Dear Parents and Carers,*

*I hope you and your families have had a restful break and are feeling refreshed for the start of a new term. It has been wonderful welcoming the children back into school; they have returned with a positive attitude, a real sense of maturity, and an eagerness to make the most of their final months in Year 6.*

*This term is always a special one. Alongside our continued focus on high-quality learning across the curriculum, we will be preparing the children for their end of Key Stage 2 assessments. We approach these calmly and confidently, ensuring pupils feel supported, well-prepared, and proud of the progress they have made. Your encouragement at home makes a huge difference, and we truly appreciate your partnership.*

*Full details of the terms learning are on the curriculum map but we also have several exciting events ahead that the children are already looking forward to. Our **school residential** will give pupils the chance to challenge themselves, build independence, and create memories they will talk about for years. Later in the term, our **school sailing course** will offer another fantastic opportunity for teamwork, resilience, and outdoor learning. As we move towards the end of the year, we will begin preparing for our **Year 6 Leavers' Assembly**—a chance to celebrate achievements, friendships, and the journey the children have taken during their time at primary school.*

*Further information about each of these events, including dates, kit lists and any required permissions, will be shared with you shortly. If you weren't able to attend the residential meeting any information given out will also be shared. I would also encourage you to use the Year 6 class page on the website where you can view photos from the school day, access spellings, residential information (kit list and menus) and a calendar of key Year 6 dates (check the 'In This Section' on the class page).*

*Please note that P.E. is on a Monday and a THURSDAY this term. As always P.E. kit should be brought in on a Monday and left in school all week.*

*Thank you for your continued support. Year 6 is a milestone year, and it is a privilege to work with such a hardworking, thoughtful group of pupils. If you have any questions or would like to discuss anything, please do get in touch.*

*Warm regards,*

**Mr. Līne**

*Year 6 Class Teacher*
