

Dear Parents,

It has been a really pleasant return to school life; your children have all been on great form, settling into Year 6 well and it has been lovely hearing about all the exciting adventures (big or small) that they have been up to. Any anxiety seems to have melted away and I think it is fair to say that we are all looking forward to an exciting final year ahead!

We have a new thought provoking unit called 'The Power of Propaganda' so please read the curriculum poster for a breakdown of what your children will be learning. Learning starts each day at 8.45am, usually with a grammar or arithmetic task that provides children with an opportunity to practise previously taught knowledge and skills. At 9am our directly taught 'Mastering Number' Maths program starts so it is essential that children arrive promptly each day in order to maximise their progress.

Timings:

8.35am - doors open

8.45am - Register taken

Anyone arriving after 8.55am will be marked as late; anyone arriving after 9.15am will be marked as unauthorised absence.

Key Autumn dates to note:

24th October - break up for half term

Tuesday 4th November - Children return

5th November - Year 6 Class Assembly

19th December - finish for the Christmas break

Tuesday 6th January - Children return.

Other key dates:

Monday 11th May to Thursday 14th May: Standard Assessment Tests: . It is essential that all children are present during this week.

15th June - 19th June - Year 6 Residential.

After school, on Friday 12th, I will be holding an informal 'meet the teacher' where I can share more about the year ahead and answer any questions. I look forward to seeing you then.

Best Regards

Mr. Line
