

Dear Father God,
During your life on earth, you showed compassion and kindness to so many people. Thank you for the people who show compassion and kindness to us and give us the courage to keep on going even when times are tough. Amen.

Clothe yourselves with compassion, kindness, humility, gentleness and patience.”
Colossians 3:12

Headteacher Message

It was wonderful to see so many of you at the church on Tuesday – I hope you enjoyed the service and the children’s contributions as much as we did. Mr Line can’t stop singing Foundation’s song and now we’re all at it’jumping up and down, shout HOSANNA!’ As the Spring term draws to a close, I wish you all a very Happy Easter.

Please take note of some of the dates listed below, particularly Sport’s Day on Friday 22nd May. We try hard to keep parents informed and always list key dates and events in the newsletter or on the website and send reminders by text. If you are not receiving texts from school or can’t access the app, then please let us know and we will try to help. I look forward to seeing you all back at school on Monday 20th April.

Miss Lewis

Sporting Superstars!

There were gold medals for our Year 5 and 6 rowers yesterday as they came first in their category in the PSSP Indoor Rowing Festival at the Life Centre. Their success was down to strength and superb teamwork as they made speedy transitions. Congratulations to you all, and a special mention to Betsy who came third out of all the girls! There was lots of excitement as they shared their success with the rest of the school. We are very proud of you!

No Nuts Please!

Another reminder that we cannot allow nuts in school due to severe nut allergies. A Kinder Bueno wrapper was found in school yesterday which contains hazelnuts.

Red Nose Day

Children could come to school wearing ‘something funny for money’ in exchange for a donation to the Red Nose charity. We raised £173.79 – thank you.

Science Week

Mrs Line prepared yet another epic Science Week; this year's theme was SUSTAINABILITY. The Foundation class had a fabulous time building dams, Years 1 and 2 made solar panelled fans, Years 3 and 4 designed and built wind turbines and Years 5 and 6 did a project around water irrigation. Some classes had special visitors who delivered STEM workshops.

In addition, Mrs Line has launched a new group of 'Global Guardians'; pupils who have volunteered to help reduce the carbon footprint of the school. They have been designing posters which show how we could save energy and have a holiday challenge to design their group logo.

Hot Chocolate Reading Reward

Well done to the children who achieved their reading targets and have enjoyed hot chocolate with Miss Field in the library. We hope everyone will find time to keep reading and enjoying books over Easter.

Tuesday 24th February

Lydia, Azaylia, Huda, Tilly, Eva, Chloe, Tiffany, Zosia, Hanna, Lottie, Yuna, William T, Diana, Ellie and Darina

Tuesday 3rd March
